## **The Angel Reiki System**

Angel Reiki is a powerful love rich system to connect to the Angels & make best use of the Usui Reiki System. The traditional four Reiki symbols are incorporated; each is associated with one of the four Archangels

One can use it stand alone or with any other system.

As the number of Lightworkers started building up so did the villains of Light.

Reiki masters started to advise protection techniques.

Angels are by their very nature very protective & pure beings of light who want us to be happy and healthy. This inspired Danny Currincks to start the Angel Reiki.

Angels are both a manifestation of the power of God as well as personifications of that power. Angels transcend every religion, every philosophy and every creed. In fact angels have no religion as we know it. Their existence precedes every religious system that has ever existed on earth

Most angels do not generally interact with humans unless specifically asked. We all have free will and are masters of our own lives, the angels respect that and will never come to us to impose on our free wills. We need to ask them to help heal us; they do not impose themselves on us. However when we are ready to work with them, the change is amazing, they make everything the best it can be, if we are ready to work with them they do not want anything back but our own happiness and gratitude.

Guardian Angels are always with us. To a normal man they are the most accessible & hence they are called for protection.

Archangels take particular interest in humans, assisting and strengthening them. Angels are non-denominational; they come to us straight away when we ask for help or healing. They bring pure and high vibration energies and facilitate the healing to take place. Angels are the loving messengers of God; they always come when you ask with a pure heart for their assistance. Angels work irrespective of religion, caste & creed.

Angels assists you in Light work of any form. You will soon find not only the

energy will flow stronger, but miracles will take place if you let it.

The Angel Reiki Attunements combines Angels and traditional Reiki symbols. The Angels are called and requested to assist in the healing. Angels can be called for protection, manifestation, clearing etc. You can use the traditional hand positions or you can ask the angels to guide your hands to the appropriate position. Assuming you already are a Usui Reiki Master, no extra explanation on Reiki or its symbols is given in this manual.

There are four primary angels that are included in the system, namely

Raphael - Means "shining one who heals"

Gabriel - Means "power" or "hero"

Michael - Means "Who is as God"

Uriel - Means "the fire of God" or "the face of God"

Other angels that you have a connection with can be incorporated into the attunement and the healing.

Ask the Higher Power of your belief system to send the Angels to you, never forgetting to thank him/her for the gift of Angelic Guidance.

You generally add an Angel to work with you for one of two reasons:

- First, you add those angels who you work with or who have made their presence known to you. When an angel makes their presence known to you, they are there to help you learn the lesson that they offer.
- The second reason that you would add an Angel is that you wish to try to develop within you the quality or power that the Angel you wish to work with represents.

## **The Four Archangels & Reiki Symbols**

No new symbol is added in The Angel Reiki system. Angel Reiki includes the Angels in the healing, self-transformation, and attunement. The four Archangels Raphael, Gabriel, Michael and Uriel are the four main angels in this system.

Other Angels may be added that you are familiar with or work with.

The Usui Reiki symbols are the:

**Cho Ku Rei, Sei Hei Ki, Hon Sha Ze Sho Nen, and Dai Ko Mio.**

## **Michael 'Who is like God'**

He is often described in wondrous form with armor and swords. He is known as destroyer of evil entities. He defeated Satan, the fallen angel, by the order of God. Michael is consistently the highest of the host in all traditions. God states him as being the highest within the angelic ranks.

He is an angel of "The Last Judgment". He is the "Weigher of souls" who decides where people are sent for eternity: to Heaven, or to Hell. Michael grants miracles, fosters mercy, repentance, truth, sanctification, blessing, immortality, patience and love to human-kind.

He is naturally protective of those who are just and good. He strengthens our spirits in difficult times. He is in charge of protection, courage, strength, truth and integrity. He protects us physically, emotionally and psychically. His chief function is to rid the earth and its inhabitants of the toxins associated with evil and fear.

Pray to Michael for these gifts and virtues. He carries the flaming sword of God. When he's around you may see sparkles or flashes of bright blue or purple light. He also oversees the lightworker's life purpose. He is invaluable to lightworkers helping with protection, space clearing and spirit release.

The blue flaming sword can be used to cut through Etheric cords and protect us from Satan the Devil and all negative entities. (Note that I fixed this in the manual. "The Devil" use to be a highly regarded Angel before his dissension. Satan was an entity, another Angel, and became the Devils right hand. The Devil and Satan are NOT one and the same entity. Sherry Andrea)

Call on Michael if you find yourself under psychic attack or if you feel you lack commitment, motivation and dedication to your beliefs, courage, direction, energy, vitality, self-esteem, worthiness.

Michael also has an incredible knack for fixing electrical and mechanical devices, including computers and automobiles. If your automobile breaks down, call on Michael.

Michael helps us to follow our truth without compromising our integrity and helps us to find our true nature and to be faithful to who we really are. Other times when you may find Michael helpful is when your job is too demanding with

impossible deadlines to reach, when you have an addiction, if you're very ill and suffering from a degenerative disease or terminal illness and when you suffer from nightmares.

### Michael is associated with the Dai Ko Mio Symbol

大光明

**The Dai Ko Mio is the Master symbol.** It is the empowerment and completion of the other three Usui Reiki symbols. This symbol represents the great shining light and the light of enlightenment. Michael is the Archangel "who is as God". Michael represents the miracles, mercy, repentance, truth, sanctification, blessing, and love that are part of the light of God and enlightenment.

## **Gabriel 'Strength of God' or 'Power'**

Gabriel has been accredited as the angel who selects souls from heaven to be birthed into this material world.

The only Archangel depicted as female in art and literature, Gabriel is known as the "messenger" Angel. She is a powerful and strong Archangel, and those who call upon her will find themselves pushed into action that leads to beneficial results.

Contact Gabriel:

- If your third eye is closed and your spiritual vision is therefore blocked.
- If you wish to receive visions of Angelic guidance regarding the direction you are going in.
- If you wish to receive prophecies of the changes ahead.
- If you need help in interpreting your dreams and vision.
- If you are considering starting a family, Gabriel helps hopeful parents with conception or through the process of adopting a child.

When she's around you may see sparkles or flashes of brilliant white light.

Gabriel helps anyone whose life purpose involves the arts or communication. She acts as a coach, inspiring and motivating artists, journalist and communicators and helping them to overcome fear and procrastination.

Gabriel also helps us to find our true calling. Ask for Gabriel's guidance if you have strayed from your soul's pathway, if you wish to understand your life plan and purpose. She can also help if you can find no reason for being or if changes are ahead and you need guidance. If you are contemplating a house move, major purchase or thinking of changing careers.

Call Gabriel if your body is full of toxins and needs purifying and if your thoughts are impure or negative and need clearing and cleansing.

Gabriel is also very helpful for women who have been raped or sexually assaulted and feel dirty as well as being under psychic attack or if you feel that you have absorbed someone else's problems.

***Gabriel is associated with the Cho Ku Rei symbol***

**The Cho Ku Rei is the Power Symbol.** It represents the focus on the Reiki energy. Gabriel is the Angel of life and she who is as the Power of God. Gabriel helps us to not only connect to the energy, but helps us to focus on our lives and to bring us in line with the focus on the source of the energy. We are reminded that we are empowered with this loving energy in our lives. We are called to be this presence in the world.

## **Raphael 'Shining one who heals'**

Raphael is an archangel that takes great interest in humans and helping those who ask.

- Raphael helps us to be better healers.
- Raphael grants joy, healing, love, miracles and grace.
- Raphael inspires humankind to pray and guards and guides those who take outward or inward journeys.
- Raphael helps with inward spiritual journeys, assisting in searches for truth and guidance.

The Most friendly & jovial of all Angels, Raphael is often pictured chatting merrily with mortal beings. He's very sweet, loving, kind and gentle and when he's around you may see sparkles or flashes of green light.

Part of Raphael's healing work involves releasing spirit and space clearing. He often works with Michael to exorcise discarnate entities and escort away lower energies from people and places.

Call upon Raphael when you are traveling, to assure safe travel. In addition, he assures that all your transportation, lodging and luggage details go miraculously well.

Raphael can be called upon to help healers such as doctors, therapist and surgeons.

Call on Raphael if you're a student entering the medical/healing field and you're looking for the right school and/or are in need of help with studies, as well as getting the time and money for school. He also assists with establishing healing practices when your schooling is finished.

Raphael not only helps you to heal from physical, emotional and mental pain, he also heals wounds from past lives.

Other areas Raphael helps with is finding lost pets, reducing and eliminating addictions and cravings, clairvoyance, bringing unity to your life, if you feel out of touch with your spirituality, if you've lost a partner and/or your soul/body doesn't feel "whole".

**Raphael is associated with the Sei Hei Ki Symbol.**

**The *Sei Hei Ki* is the healing & Mental/Emotional Symbol.** It represents the harmony that is Reiki. Raphael is the Angel of healing, joy, miracles and grace. Raphael helps us to find this emotional and spiritual harmony. Raphael, the great healer, blesses us with healing our whole being. He helps to rapidly heal body, mind and spirit if called upon

## **Uriel 'The fire of God'**

Uriel represents the Golden Light of God. You may see sparkles or flashes of Golden light. when he's around.

Uriel is also the angel of the Third Eye, with seeing and psychic knowing. Uriel bestows upon us the gift of creative fire, as well as the power of prophecy. We appeal to him for foresight into the future and for help in developing our psychic abilities.

Uriel is also an angel of Transformation & Transmutation.

Uriel is considered one of the wisest Archangels because of his intellectual information, practical solutions and creative insight, but he is very subtle. You may not even realize he has answered your prayer until you've suddenly come up with a brilliant new idea.

He also brought the knowledge and practice of alchemy and the ability to manifest from thin air, as well as illuminates situations and gives prophetic information and warnings. All this considered. Uriel's area of expertise is divine magic, problem solving, spiritual understanding, studies, alchemy, weather, Earth changes and writing.

Considered to be the Archangel who helps with earthquakes, floods, fires, hurricanes, tornadoes, natural disaster and Earth changes, call on Uriel to avert such events or to heal and recover in their aftermath

**Uriel is associated with Hon Sha Ze Sho Nen.**

本  
有  
下  
念

**The Hon Sha Ze Sho Nen is the Distant Symbol.** It represents the timeless connection to the loving source of all. Uriel represents the timelessness of the connection to the source. When connected to the source the foresight, psychic gifts, and transformation are all manifest.

## Angel Reiki Prayer/ Healing Session

You can invoke all the four angels mentioned by visualizing the respective Reiki Symbol & taking the name of the Archangel (3 times). Talk to them in simple language. No need of special prayers or rituals. That's precisely the reason for developing this modality.

It's beneficial to call all these 4 Archangels. You can call the ones you added too. It is perfectly natural that you will feel attracted to one of the angels. You can call the Angels anytime all the time. Remember to use the word 'Now' when you call them. Use the above Angel qualities as guide to place your issue. Give them some time to work with you. Do not immediately change or conclude when you feel their presence, just linger on.

A sample Prayer or healing Sessions:

Preparation part:

- Be relaxed and adopt any posture that you are comfortable.
- Face the east if possible.
- Place your hands in the prayer position at about chest height.
- Once the breathing settles you can start the invocation of the angels.

Say: "O Holy Angels and Archangels, help me to bring about peace in all that I Am, so I reflect the compassion and healing of God in all that I am and do".

Say: "Raphael, Angel of the Sun, enter my center and give the fire of life to my whole body". Visualize the Sei Hei Ki in the air before you.

Say: "Gabriel, Angel of Life, enter my limbs and give strength to my whole body". Visualize the Cho Ku Rei in the air before you.

Say: "Michael, Angel of Earth, enter my generative organs and regenerate my whole body". Visualize the DKM in the air before you.

Say: "Uriel, Angel of Fire, enter my heart and transform me with the Love and Fire of God and give fire of God to my whole body". Visualize the HSZSN in the air before you.

Talk to the Angels singularly or collectively.

Place your issue as per quality of the Angel or collectively.

Let the energy flow.

Chances are you will receive messages, signs or a strong intuition.

You can add any of your methods or prayers.

Thank the angels for assisting you.

Use with any Light session.

## The Attunement Process

Call down the four Archangels for direct help in doing the actual attuning. You may also wish to ask any other angels you work with to assist in the attunement. The Attunement is a holy ritual of prayer, interaction with the Angels and Reiki. The effect is always a loving, joyful and beautiful experience. It personalizes the experience with the Angels who are with you always. Whenever you draw the symbol say the name of the Angel who works with that symbol to help and assist you in placing the symbol.

### ***The Attunement***

- Ask the student to face the East if possible & stand behind them.
- Ask the Archangels to surround you and assist in the attunement (or healing) and to purify the room by saying:
- "Holy Archangels assist me now in clearing this space so that this attunement may perfectly awaken in them the loving gift of healing."
- Ask your other guides & other angels, "With great respect, I ask you to be with us now, so we are filled the love and compassion for all, that we may be healers for the entire world."
- Cleanse the room by drawing the four Reiki Symbols in the air in front of you.
- Draw the Power Symbol on your palms, Crown and Heart Chakras, intending them to open to the Reiki Source and Light.

  4. Visualize **Dai Ko Mio** in Brilliant Glowing **Blue** color with **Michael** entering the Crown chakra of the student. Say, "Michael, who is as God, assist me in empowering this soul with the great shining light of enlightenment. Bring protection, miracles, mercy and blessing."
- Strongly Affirm, "Blessed angels, fill this student with the love and light of God, empowering them to heal, in all ways and at all times for the highest good and purposes of all involved." Intend it to be accepted by the student.
  - Visualize the light of heaven coming into the Crown of the student and filling them completely with the light of God.
  - Say to yourself, "I seal this Attunement with Divine Love and Wisdom." • Intend that the Process is sealed, complete and the student is now forever connected directly to the Reiki Source & Angelic Love & Light. Say "You are now forever connected to the Reiki source and Angelic Love & Light."
  - Tell the student, "In the presence of the Angels you are filled with the divine gift of healing."
  - Finally Affirm that the Attunement is done & break the connection with the student. • Thank "The Source", Mikao Usui, Archangels, other Angels & guides for this gift of Love. Thank your Higher Self & the Student.
  - Spend some time in silence for the Attunement to settle & get to normal consciousness.

You can use same attunement method for distance & collective attunement.

*Namaste!*
